FOREWORD

The Agri-Processing Branch at Alberta Agriculture, Food and Rural Development presents Alberta's Agricultural Processing Industry Directory as a reference for use by the business community, government agencies and other interested parties. It serves to update users with current company information including contact personnel, products and brand names.

The directory has been divided into four sections.

1. Alberta's Agricultural Processing Industry

A general description of the agricultural processing industry in Alberta, including statistical graphs and charts.

2. Company Listing by Product Category

Firms are listed under broad industry categories which represent their major processing activities. A category description normally precedes each listing. The addresses of related industry organizations have also been included where applicable.

3. Index by Location

Firms are listed by their location. An Alberta map has been included for reference purposes.

4. Index by Company

Firms are listed in alphabetical order, with location indicated for each. This section has been page referenced to assist you to find the firm or organization that you are interested in.

Considerable effort has been taken to ensure the accuracy of the company listings and information shown and we regret any errors or omissions. The directory was prepared by the collation of information made available to Alberta Agriculture, Food and Rural Development and neither the Department nor any of its employees assume any legal liability or responsibility for the accuracy, completeness or usefulness of the information. The listing of any company or product in this guide does not reflect an endorsement of the company or product by Alberta Agriculture, Food and Rural Development.

We ask your assistance in keeping this directory current. As changes occur in the information presented for any company or organization listed, or if you are an Alberta processor and wish to be included in the next edition, please contact:

Food Processors

ALBERTA FOOD PROCESSORS ASSOCIATION (A.F.P.A.)

The Alberta Food Processors Association's mission is to assist members to build capacity, enhance competitive advantage and improve their bottom line by assisting them to meet customer demands. The Association achieves its mission by providing members with superior programs and services and through representing its members' concerns on policy matters.

The Association provides additional value to members through: Path-finding and counseling; networking and alliance building.

The Association acts as an advocate to provide a single voice for industry. The Association's primary members are Alberta based food and beverage processors. The Association also serves other partners in the value chain including other agri-processors and suppliers of goods and services to the processing sector.
